Our beloved prophet Muhammad ﷺ said:

*It will be said to the one who memorised the Quran, ‘Recite and ascend, and recite just as you would recite in the world, for your abode (in Jannah) will be the last verse you recite* (Sunan Tirmidhi 2914)

This book is a compilation of 40 short and simple duas from the Quran that start with the word ‘Rabbana’ (O our Lord). These often-repeated duas are very easy to memorize, Insha Allah. Let us attempt to capture them in our hearts and minds and progress further towards strengthening our connection with the book of Allah swt.

**Note:**
The order of ayat is not the same as their location in the Quran.

Please feel free to distribute for dawah purposes.

Compiled by: MUHAMMAD NABEEL MUSHARRAF
"Accept this from us, O Rabb, You are the one who hears all and knows all.

Quran 2:127

This dua was read by Ibrahim and Ismail A.S. when they completed the building of the Ka’bah. The lesson is that a person must not be satisfied with actions only. Rather, after the action, be humble and beg Allah to accept it. After completing a highly lofty action, Ibrahim A.S. did not express pride, rather he asked Allah to accept the action.

"O our Sustainer! Make us Muslims, and of our offspring, a community Muslim, submissive to You. And show us our ways of worship, and accept our repentance: for, verily, You alone are the Acceptor of Repentance, the Dispenser of Grace!

Quran 2:128

Believers should not just be concerned about themselves. They are also responsible for the spiritual well-being of their off-springs.
"Our Rabb! Give us the good life, both in this world and in the Hereafter and save us from the torment of the fire."

Quran 2:201

As Muslims, we have to realize that it is not just this worldly life that we look forward to make good. What is even more important than this life is the life that is coming after this. Are we doing enough to secure ourselves and our families in the life that will never end?
O my Lord! Grant unto us wives and offspring who will be the comfort of our eyes, and give us (the grace) to lead the righteous.

Quran 25:74

O Allah, bless our children with the strength of Iman, happiness, health and success.
Rabbana, forgive me, my parents, and the believers on the Day when the judgment will come to pass.

Quran 14:41

Our Lord! Forgive me, my parents, and the believers on the Day when the judgment will come to pass.

Quran 14:41

O Allah take care of our affairs. Our deeds are not enough to save us. Despite the reminders that you have put around us, we keep sinning. We look towards You in fear and hope. Indeed You are the Most Merciful and Most Forgiving!
There are so many mistakes and sins that we commit everyday. Even if we try to remain conscious of not sinning, we can still fall in sin because of our forgetfulness and mistakes. May Allah forgive all of our major and minor sins and cleanse our souls.
Rabbana la tawajudna in nasiba'ahu o' akhtanana. Rabbanana khalta usalaluddinnin min qabilina'ah. Rabbanana gumlatuna ma. Ehsan bila bani israel. Faansuruna 'ala alaqom alkaafirin.

Our Lord, and lay not upon us a burden like that which You laid upon those before us. Our Lord, and burden us not with that which we have no ability to bear. And pardon us; and forgive us; and have mercy upon us. You are our protector, so give us victory over the disbelieving people.

Quran 2:286

Prophet informed about the ayahs 285-286 of Surah Al-Baqarah that they are from one of the great treasures of Allah swt and we should read them before going to sleep. Memorizing and reciting them regularly is highly virtuous.
رَبَّنَا إِنَّنَا سَمَعْنَا مُنَادِيَةً يُنَادِي لِلإِيمَانِ أَنَّ آمَنُوا بِرَبِّكُمْ فَآمَنَّا

Our Rabb! we have heard the call of a caller calling [us] to faith 'Believe in your Sustainer!' - and so we came to believe.

Quran 3:193

May Allah’s countless blessings and peace be upon the blessed caller who called us towards Islam. May Allah keep us steadfast on the deen he called towards and may Allah fill our hearts with his love.
Our Rabb! We believe in what you have revealed and we follow Your Rasool. Please count us with those who bear witness.

Our Rabbana

May Allah’s countless blessings and mercy be upon our beloved messenger PBUH. O our Rabb, guide us to follow his blessed footsteps and make us from those who he would happily look at on the day when you gather all the humankind together.

Quran 3:16

May Allah make us from those believers who truly believe and give us that success which is the real success.
Rabbana, surely you are the Gatherer of all mankind on a Day about which there is no doubt. Verily Allah never fails in His Promise.

Quran 3:9

On the day when we will all be gathered together, there would be some who would be joyful when their deeds would be presented in front of them, and there would be some who would try to escape but will find no opportunity. May Allah make us from those who are declared as the successful ones on that great day.
O our Sustainer! Forgive us our sins and the lack of moderation in our doings! And make firm our steps, and succour us against people who deny the truth!

No person can be assured that the good actions he is doing presently will be done continually. Therefore we should express regret on the deficiency of our present actions and make dua for steadfastness in regard to our future actions.

Quran 3:147
Our Rabb! You have not created this in vain. Glory to You! Save us from the punishment of Fire.

If we ponder upon our surroundings, we will notice that there is nothing in this world that is created without a specific function or purpose. They are fulfilling their purpose with complete submission. May Allah swt grant us hikmah and wisdom.

Quran 3:191
O our Lord! Truly You know what we conceal and what we reveal: for nothing whatsoever is hidden from Allah, whether on earth or in heaven!

Quran 14:38

Allah even knows the slightest glance of our eyes. He knows even the slightest thought that comes in our hearts. May Allah make us truly realize the fact that He is watching us and that He is all watchful.
Our Lord! Bestow on us Mercy from Thyself, and dispose of our affair for us in the right way!

Quran 18:10

O Allah! We have no where else to go. Please engulf us in Your mercy!
Our Lord! Pour out on us patience and consistency, and take our souls back as Muslims (who bow to your will)

Quran 7:126

In this world of distractions and short-term pleasures, we have to remain connected with and feel proud of our identity as Muslims. This is what we want to be our state when we travel back after the short stay in this world.
40 Rabbana - Dua 19

Our Lord! Forgive us and our fellow believers who preceded us in faith, and do not allow bitterness into our hearts towards those who believe. Our Lord! Indeed, You are Ever Gracious, Most Merciful.

Quran 59:10

O our Rabb, join our hearts with our brothers and sisters in Faith – those who are living with us and those who have gone by before us – especially the companions of our beloved. We love them for Your sake and Your Messenger’s sake.
Rabbana Wa’attaana ma wada’attaana ‘ala rasulik wala hurrina yowm al-qiyamah. Ina’ka la tahlif al-mi’yad.

Our Rabb! Grant us what You have promised through Your messengers and save us from the shame on the Day of Resurrection; for You never break Your promise.

Quran 3:194

The Messenger of Allah (ﷺ) said: Whoever asks Allah for Paradise three times, Paradise says: 'O Allah, admit him into Paradise', and whoever seeks refuge from the Fire three times, the Fire says: 'O Allah, save him from the Fire.'

Jami Tirmidhi, Book 38, Hadith 2772
Rabbana lā tājallūna fītāna lilladīn kaffūra wa'aggir lana rabbana ēnāk ānt al-ʿazīz al-ḥakīm

O our Sustainer! Make us not a plaything for those who are bent on denying the truth! And forgive us our sins; Our Rabb! You are the All-Mighty, the All-Wise!"

Quran 60:5

May Allah protect us all from the tricks and deception that are there to put us in loss in this world and the aakhirah. May Allah put our affairs in the hands of those who are just and who are from the al-mutaqoon.
Our Rabb! We have wronged our own souls; if You don’t forgive us and not bestow Your mercy upon us, we shall certainly be lost.

Quran 7:23

This is the attitude of true believers. When they commit a mistake, they accept it and seek forgiveness from their Rabb. On the other hand, the approach of Satan is to stay firm on the mistake and become arrogant. “All sons of Adam [A.S.] sin. But the best of sinners are those who repent”.

Our Lord! Do not subject us to the persecution of the oppressive people, and save us, by Thy grace, from people who deny the truth!

Quran 10:85-86

May Allah bring the peace back to Muslim lands across the globe. May Allah relieve the difficulties of our brothers and sisters and children.
Our Lord! Send us not to the company of the wrong-doers

Life of this world is short. The things because of which we oppress others and because of which we remain oblivious to the commands of Allah are really not worth it. Oppression and wrong-doing results in hardness of hearts and void our souls of contentment.

This dua was made by Isa A.S. at the request of his Ansar. They requested him to make dua for the food to be sent down upon them from the skies so that they might eat and their hearts can be at ease. When Isa A.S. saw that their objective was valid he made this dua to Allah swt.

Our Rabb! In You we have put our trust, to You we turn in repentance and to You is our final goal.

O Allah! O our Merciful Lord! It is only Your kindness and mercy that we are relying upon. Please save us from humiliation on the day when the records of our deeds will be opened up.
